STAR LODGE

Saturday 18 april 10am - 10 pm

We walk into the great unknown into the darkness of the star lodge as a freshly reunited extended family, a clan, a tribe through the fire to feel, touch and know our own spirits, connect with our ancestors and our own spirit helpers. We spark and augment our relationship with fire, the male forces in the universe as such, we feel the affection from the creator and arise courage, strength and fortitude in our hearts.

Activities in and around the star lodge include:

- ∞ talking with the stone people
- ∞ sending our voice through songs from the fire
- ∞ making prayer ties, prayer flags and prayer sticks
- ∞ sunset ceremony
- ∞ purification ceremony through the star lodge
